

# DEACONS

## SERVANTS OF THE CHURCH

### THE TEAM

There are between 30-40 Deacons

This year, we are looking for at least 10 new members

## TERMS OF SERVICE: 3 YEARS

Deacons partner with the caring ministries of First Pres as the hands and feet of Christ to serve individuals in our congregation and beyond.

Being a deacon is a huge privilege for me to be on the "front lines" of bringing tangible acts of love both in our church and to the community. Right now I'm excited about making connections and ways of caring with people in my geographical area with the Parish Ministry that is forming. You can match your gifts and talents with various deacon activities or help us create new ways of loving others in the pandemic world we're living in.
