SHEPHERDS OF THE CHURCH

THE TEAM

There are between 12-21 Elders

This year, we are looking for up to 7 new members

TERMS OF SERVICE: 3 YEARS

Ruling elders, together with ministers of the Word and Sacrament, exercise leadership, government, spiritual discernment, and discipline and have responsibilities for the life of a congregation as well as the whole church

"As an Elder I get to help plot the direction of our church through it's various ministries and I get to support the amazing staff in their execution of those ministries. I get to see how the church works from the inside and to influence how the church engages with the congregation and in the world. I love how being on Session has helped me to trust in the spirit-led decision making process and to grow spiritually."
